Approved

Please have students take Field Request forms to their teachers for signatures.

Class Coverage

Mr. Dellisanti created a class coverage google doc that will track who has covered classes so that the same person isn't called over and over again. BTs will be prohibited from covering classes based on the SIP, except in case of emergencies.

Student Passes to Cars

Discussion of the current policy took place. Students need a note to the office to get permission to go to their cars. The office will send a note back with students. Please put a date and time on your note.

ACT Prep

Mr. Connolly is proposing Junior CATS ACT Prep 2nd semester on Tuesdays and Thursdays during CATS class. Discussion took place, especially about missing the guidance lesson on Thursday. It was decided that the prep take place on Mondays and Tuesdays. Junior CATS teachers can show the CNN News after CATS News on Wednesdays or on Fridays.

Students Pulled From Other Classes

Please be aware of other teacher's class time when asking for a student to miss another class. You must ask permission from the other teacher, especially if you are keeping the child longer than a few minutes. The contact should be teacher to teacher, and permission should be given prior to involving the student.

Exam Testing Schedule

Administration is looking at the exam schedule. Exam testing training will take place next Thursday (12/11/2014) during planning blocks.
