

SIT MEETING 6/1/2015

Good News

End of the year

Field Trips

- Pinyan - Football camp at East Wilkes - July 27-29, Approved
- Marchinko - Cross Country camp at Liberty (1st option) - August 4-8 (boys only) **or** Wide Open Camp in Brevard (2nd option) - August 3-7, Approved

ISS ideas

- Make ISS as uncomfortable as possible because repeat offenders don't seem to mind being in ISS.
- Activities tied to ISS (like they can't come to Prom or losing a leadership position, etc.)
- Use OSS not ISS for students not attending ASD (Mr. Dellisanti does not support OSS for minor infractions)

Improving Attendance

- Continue calling parents
- There is a lot of family crisis and issues that have caused some students to miss school
- Continuing communication between parent, student and teachers

Tardy policy

- For student drivers, tardy infractions could cause students to lose parking privileges for a short time
- May need a tiered level of punishment
- Upkeep for tardy records is very difficult
- Teacher's sweeping the hall and taking them to get a tardy note
- Maybe come up with some type of incentive for those who don't get tardies
- Five minute dismissal on Friday for having no tardies (or attendance)

Graduation Projects

Would it be quicker to have all the staff attend both graduation project nights so that everyone will get it done earlier?

- May be a problem with coaches
- If more students are presenting in one semester, than more teachers would be assigned to help during that semester.
- Ending time will be later next year because of the school times changing
- Need to talk with Woody, Hager, and Connolly
