### **Student Tardies**

Student letting students in the side doors to avoid tardy notes. Will be a focus of next year.

Skinnies tardies need to be considered, They are marked absent after 45 minutes even if they are there for the second skinny.

### **SIP Function**

The true function is to set and monitor goals not to address school issues. Next year's team will focus on the goals. The department chairs will be addressing school issues next year. For example the department chairs will approve field trips.
