- Perry – June 16 – 17, Garner Webb, Boys Basketball Camp, Overnight (Approved)

### Subjects and Tutoring Days

- Have common tutoring days during the week (4 core classes).A
- Allows parents to know in advanced when students can get help
- Avoids overlapping tutoring sessions when students need tutoring in more than one subject
- Elective teachers would schedule with individual students
- Monday – Social Studies, Tuesday - Science, Wednesday - Math  
Thursday - English

### Student Assessment/Vanderbilt forms (From Crystal Drew)

- Please return assessments in a timely manner
- We may need to shorten the turn around time to 3 days
- Put a deadline time on the form
- Send an email to let the teacher know it is in your box with the deadline

### Students Attending Different CATS classes (other than the assigned class)

- CATS will be revamped over the summer
- Send ideas for next year to Brooke
- Students need to be in their own CATS class except Tuesdays and Fridays and only with permission from both teachers
- Please send students back to their own CATS class

### Can we move CATS to a Different Time During the Day?

- There are too many problems to end the day with CATS
- Could we switch 3<sup>rd</sup> and 4<sup>th</sup> so that lunch is not as late?
- Could interfere with students missing the last half of the day going to

RCC

- The administrative team will consider this

#### Parents Dropping Off Students in the Faculty/Bus Entrance in Mornings

- Parents are entering in the front bus parking lot
- Need to have the officer out in the parking lot

#### Capturing Kids' Hearts Conference

- 10 people in June, 4 people in July, 4 people in October (in Texas)
- The central office is checking into having the conference held here to train more faculty at once

#### Student Eating Lunch in a Classroom

As long as a teacher is in the room, they can keep students with them during lunch

#### Students in Back Stairwell of C Hall

- Signs have been put up about Camera surveillance
- Teachers have been running students out of the area and things have improved
